

WATER SAVING ACTIONS IN THE BATHROOM

Try one or more of these water saving actions to be smart with your water use in the bathroom

Turn the tap off when brushing your teeth

Reduce your shower time: every minute less saves 12 litres of water

Catch shower water in a bucket while it heats up to use on your garden

Put rubbish in the bin, not the loo!

If you feel like a long shower, take a bath instead!

Use a half flush when possible
